

Dig Deeper: Tools to Unearth the Bible's Treasure

Nigel Beynon and Andrew Sach

The Author's Purpose Tool – why was it written in the first place?

The Context Tool – what else is going on in the chapter/the book/the world?

The Structure Tool – how is it organised?

The Linking Words Tool – ‘so that’, ‘because’, ‘therefore’ etc

The Parallels Tool – has anything like this been said elsewhere in the Bible?

The Narrator's Comment Tool – does the Bible tell us how to understand this?

The Vocabulary Tool – what does this word mean?

The Translations Tool – do other versions translate it differently?

The Tone and Feel Tool – how are we meant to *feel*?

The Repetition Tool – “I’ll say it again...”

The Quotation/Allusion Tool – does it point back to anything else in the Bible?

The Genre Tool – is it poetry, history, a letter...?

The Bible Timeline Tool – where are we in the big story?

The ‘Who Am I?’ Tool – am I represented in this passage? Is Jesus?

The ‘So What?’ Tool – application.
